RE: SOLICITATION FOR APPLICATIONS TO RECEIVE FUNDING FROM  
THE \$19 MILLION UNDER THE CARL MOYER AIR QUALITY  
STANDARDS ATTAINMENT PROGRAM

The Air Resources Board (ARB) is inviting districts to apply for funding under the Carl Moyer Program. Governor Gray Davis has authorized an additional \$19 million in funding through the 1999/2000 fiscal year (FY) budget process to be used for projects under the Carl Moyer Program. This memo formally solicits applications from districts, even those districts that are participating for the first time, to receive funding under the Carl Moyer Program. The enclosed notice and application will provide you with a brief description of the program and information on how to apply for funding to start a program or continue your program.

Thank you for your interest in the Carl Moyer Program. The Carl Moyer Program Guidelines are available electronically on ARB's Website located at [www.arb.ca.gov](http://www.arb.ca.gov). If you would like a hard copy mailed to you, or have any questions pertaining to the application process detailed in the enclosure, please contact Mrs. Lucina Negrete, Air Pollution Specialist, Mobile Source Control Division, at (916) 327-2938.

Sincerely,

/s/
